PBS-THINK^{TV} NETWORK

"IODA" CHILDREN'S SERIES

DAYTON, OHIO

2014-2015

- Worked closely with educators and researchers to develop *The Big Adventures of Little Ioda*, the first interactive children's series based on common core standards in informational text for K-3 learners. Wrote, directed and edited seven episodes with different versions for PBS Learning Media.org and REACH, a digital platform developed by WGBH.

TRAIN OF THOUGHT STUDIOS

OWNER, FILMMAKER

DAYTON, OHIO / DENVER, COLORADO

2010-PRESENT

CITY FOLK

- Directed and produced "Where There Is Love" and "Where The Rivers Meet," a two-part music video featuring over 120 artists and musicians recorded in the moment. Scouted locations, hired talent, filmed and edited over 850 hours of footage. The combined videos have been viewed by nearly three-quarters of a million people across the globe.
- Documented and edited multiple community events including Dayton's first Dia de los Muertos celebration and several inner-city dance & spoken word concerts.

DENVER PHILHARMONIC ORCHESTRA

2015-PRESENT

- Developed, filmed, edited and co-produced *Playing Out*, a documentary webseries promoting Denver and its most popular community orchestra.

DAYTON GAY MEN'S CHORUS

2012-2014

- Filmed concerts using multiple cameras, and edited highlight reels for advertising, archiving and fundraising.
- Projection Design for *I Am Harvey Milk* concert.

MUSE MACHINE

STAGE PRODUCTION & PROJECTION DESIGN

DAYTON, OHIO

2010-PRESENT

- Conceptualized, wrote and starred in five curriculum-based multimedia productions aimed at middle and high school learners including *The Magic of Movies*, *The Magic of Movies: Science!*, *Time Signature: A Musical Journey Through the Sixties*, *Ozmosis: The Wizard of Oz Mythology*, and *Now Hear This: The Story of Sound* (coming in February 2015).
- Designed projections for multiple theatrical productions including *How To Succeed...*, *Singin' in the Rain*, *The Wizard of Oz* and *Seussical*. Collaborated with directors and production designers to achieve consistency in style and quality.
- Engineered sound for over a dozen large-scale musicals working alongside union stage crews.

MEDIA LITERACY EDUCATOR

2013

- Awarded a grant from the Chase Foundation to teach media literacy to middle and high school students. Initiated a five-day program whereby student learned to identify advertising techniques through hands-on filmmaking. Collaborated with students from seven different schools to produce social marketing ads aimed at their peers and community members with topics ranging from bullying to community involvement.

MARKETING/PROMOTION

2009-2014

- Filmed, edited and produced online trailers and featurettes for theatrical productions, benefit concerts and artist profiles.

DOCUMENTARY SERIES

2006-2011

- Documented, edited and conducted interviews for two documentary featurettes highlighting the impact of Muse Machine's Secondary and Elementary School Programs. The videos are among Muse Machine's biggest fundraising tools.
